

Get involved the Face It Movement to end child abuse.

- Explore and promote the resources on the Face It website.
- Join a work team that aligns with your organization's work.
- Order brochures and posters for your organization to distribute to parents and hang in common areas.
- Advocate for policies and practices that will prevent and end child abuse during the Kentucky General Assembly.
- Tell us about your organization's upcoming events.
- Add the Face It logo to your email signature and to your organization's website.
- Invite Face It to speak at an event your organization is hosting.
- Share your ideas to make Face It stronger and more effective.
- "Like" Face It's Facebook page: [/faceitabuse](#)
- "Follow" Face It's Twitter feed: [@faceitabuse](#)
- Engage with Face It and fellow partners on social media.
- Submit a blog on how your organization is preventing and ending child abuse in your community.

Keeping kids safe is up to all of us!
